Science college

03/2023 - present

Courses

- Computer Science

India

WORK EXPERIENCE

Book Typing.

Freelancing

01/2020 – 03/2020

Achievements/Tasks

- It was my first job but I think I did it nicely.
- There were many hard things like completing it in time and some language errors.
- Completed it and the author liked it also. It was double colored typing.
